

Swarthmore College Baseball Record Book

Updated June 2019

Records from 1950-present

Pitching records unavailable prior to 1963

Individual batting records incomplete prior to 1960

Current players denoted in bold italics

The career record book is far from complete and we are missing information on stats from several years. It is a continual work in progress and any help would be greatly appreciated.

For both batting and pitching, we are missing 1974, 1979, 1980, 1981, and 1990.

For pitching only, we are missing 1989.
